No refunds are given for withdrawal of a student from our class after the THIRD scheduled class. Before this time, a refund of the classes missed minus the classes attended will be given.

There are no refunds on missed classes. There are make-up classes.

One make-up class is allowed per semester. Parents **MUST** schedule the make up class in advance with the instructor and have it approved by the director. The make up class will be scheduled during existing class times. Make up classes are only permitted if the child has missed one class during the semester.

Instructors are committed to ensuring that every child is being cared for within a safe environment. If a student in any way endangers the emotional and physical well being of another student or is compromising the integrity of the lesson for several classes, the instructor reserves the right to discontinue the child's enrollment without refund of tuition fee and without consultation of parents. Parents will be notified if a student is misbehaving. However, continued disorderly behavior will lead to discontinued enrollment.

Please refrain from bringing peanut products to class as they may harm other children.

Students and/or parents are responsible for purchasing the supplies on the class list. The director will purchase all other materials.
